

R E M A R K S

Reconsideration of this application, as amended, is respectfully requested.

ALLOWABLE SUBJECT MATTER

The Examiner's indication of the allowability of claims 2-16 is respectfully acknowledged.

Claims 2, 8, 9 and 12-16 have each been rewritten in independent form to include all of the limitations of their former (now canceled) parent claim 1.

In addition, claims 2-16 have been amended to make some minor grammatical improvements and/or to correct some minor antecedent basis problems so as to put them in better form for issuance in a U.S. patent. The informalities pointed out by the Examiner have all been corrected.

Still further, claim 17 has been amended to depend from claim 2, and claims 18-24 have been prepared to correspond to the subject matter of claim 17 depending respectively from claims 8, 9 and 12-16.

No new matter has been added, and it is respectfully requested that the amendments to the claims be approved and entered.

It is respectfully submitted, moreover, that amended independent claims 2, 8, 9 and 12-16, and claims 3-7, 10, 11

and 17-24 respectively depending therefrom, are now all in condition for immediate allowance.

THE SPECIFICATION

The specification has been amended to correct the informality pointed out by the Examiner, as well as to make a few minor grammatical improvements.

No new matter has been added, and it is respectfully requested that the amendments to the specification be approved and entered, and that the objection to the specification be withdrawn.

THE DRAWINGS

Fig. 7 has been amended to change "MOTOR 55" to "MOTOR 55b," as required by the Examiner.

Submitted herewith is a corrected sheet of formal drawing which incorporates the amendment and an annotated sheet showing the change made thereto.

No new matter has been added, and it is respectfully requested that the amendment to Fig. 7 be approved and entered, and that the Examiner's objection to the drawings also be withdrawn.

CLAIM FEE

The application was originally filed with 17 claims of which 1 was independent. The application now contains 24 claims, of which 8 are independent. Accordingly, a claim fee in the amount of \$1200.00 for the addition of 5 extra independent claims and 4 extra claims in total is attached hereto. In addition, authorization is hereby given to charge any additional fees which may be determined to be required to Account No. 06-1378.

* * * * *

In view of the foregoing, entry of this Amendment, allowance of the claims and the passing of this application to issue are respectfully solicited.

If the Examiner has any comments, questions, objections or recommendations, the Examiner is invited to telephone the undersigned for prompt action.

Respectfully submitted,

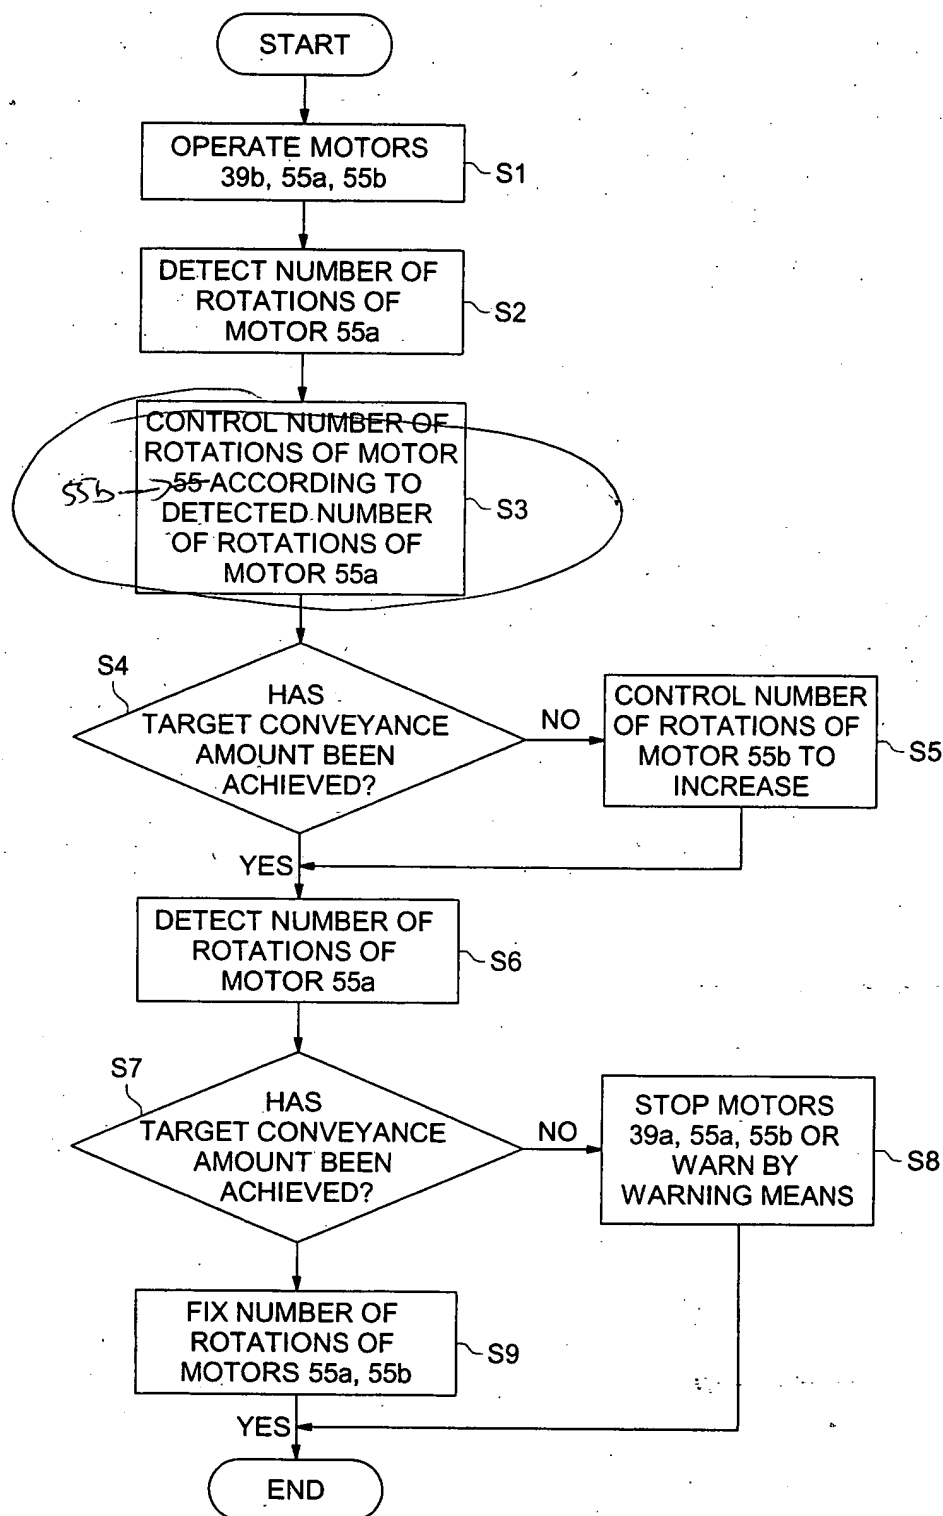

/Douglas Holtz/
